### 2) Public Meeting #1 Materials

Public Meeting #1 featured a presentation and two activities focused on identifying issues and opportunities on Bathurst Street. Linked below are the presentation, agenda, and discussion questions. To those who were unable to attend this meeting: these documents contain the content that shaped the discussion in the attached Draft Meeting Summary.

Please note that we have put the Public Meeting #1 discussion questions online, so those who were not able to attend can still provide feedback. **The deadline for comment on these questions is July 12.** We will update these questions early next week to provide some clarification of the terms Land Use, Built Form, Heritage, and Streetscape.
